Chairs Invitation

Dear Members and Industry Stakeholders,

The Grain Suppliers Association (HUBUDER) was established in 2014 to gather the companies dealing with the grain trade under the same roof and to contribute to the benefits of the industry and the country in the grain trade.

Our association has continued to develop in terms of the number of its members, quality, and effectiveness since its establishment. In the elapsed time, our association has become the association that represents the grain industry in Turkey in the most comprehensive way, by incorporating international surveillance, maritime shipping, customs consultancy companies, and port and logistics businesses, as well as domestic companies dealing with the grain trade and international companies directing the world grain trade by Turkey's prominent flour, feed, and pasta producers, licensed warehouse enterprises, and local grain producers.

We invite you, our valuable industry stakeholders, to our "**Grain Towards 2023 Harvest in Turkey and in the World**" Conference, which we will organize at Ankara Sheraton Hotel on **May 4-5, 2023**.

In our conference, grain trade and the future of our industry will be discussed in detail within the framework of the 2023 harvest and today's economic conditions. Due to the rapid changes in agriculture and the economy in the world in recent years and regional wars, at this conference where we expect intense participation from Turkey and abroad, the panelists from Turkey and abroad who are experts in their fields will interpret their subjects in light of the latest data and developments on the following topics:

- Grain situation in Turkey and in the world before the 2023 harvest,
- Current situation and expectations in the international grain market, Economic situation in Turkey and in the World, forecasts, risks,
- TMO and grain markets,

By attending our conference,

We believe that you will have the opportunity to be informed about the developments in the grain industry in a timely manner, to predict the possibility, to develop your network, and strengthen your relations by meeting with experts and competent experts in the field of the grain trade.

We look forward to welcoming you to Ankara!

On behalf of the HUBUDER Board of Directors,
Gülfem Eren
Chairman of the Board
